## WHEN CAMPING WITH YOUR HORSES, THE FOLLOWING RULES MUST BE FOLLOWED

1. **All campers with horses must stop in the office to register and sign an insurance waiver before entering the campground.** We request your liability insurance company name as well as your coggins accession number for check in. Please bring this information along into the office with you.
2. Horses are not permitted on marked campsites for any reason nor are they permitted to be tied to our cabin railings if you are staying in one of our cabins.
3. Riding in the campgrounds is restricted to the roads only. Please do not ride through the sites. **All horses must be kept at a walk when entering or leaving the campground.**
4. Stalls are to be cleaned before you leave. **If you do not clean your stall there will be a \$20.00 fee charged to your credit card for cleaning.**
5. We are not responsible for the weather. If you choose to cancel due to weather, there will be no refund of your deposit. **There is a 15 day cancellation notice needed to cancel without losing your deposit.**
6. We do not refund any monies paid for camping and stabling. If you need to leave early, stop by the office and pick up a certificate for a return trip. **We do not do cash refunds.**

These rules have become necessary because some people have abused the campgrounds. Please remember that we do have other campers here, and some may not be as fond of horses as we are.

**No motorized vehicles, bicycles, or carts on horse trails per Park Service.**

There is NO smoking or drinking of alcohol allowed on any of the horse trails!!! All campground roads & horse trails are stone; we strongly recommend shoes for your horses.
